UrbanSmartPark

16th December 2020 | Final Event | 9

EIT Urban Mobility is supported by the EIT,
a body of the European Union

I. Registration

- At the moment there has to be a **driver present** at all times
- Foreseeable **law change** might bring more possibilities for AVP

II. Data Protection

- Collection requires **consent** of affected party
- Depending on the **sensitivity of the data** there are more requirements
